New Spirit: the S530 AQUASPIRIT's cool 5m RIB. Mega agile, yet super stable. Comfortable space for up to 7 people. Party, water skiing, wakeboarding, sunbathing—everything is possible with the S530. Of course, the S530 has a sturdy hull made of 4mm marine-grade aluminum. The slim bow and wide stern give the S530 excellent seaworthiness and superb driving characteristics. With 100 HP, speeds of up to 70 km/h are easily possible. Easy to trailer and launch, the S530 is an ideal vacation boat.

The S530 is available as a center or double console and in hull colors black, dark gray, or light gray. The tubes can also be selected in many color combinations. Visit your dealer, who will gladly show you the special equipment options and take you on an impressive test drive. Also available in a Pro version for polic, fire service, search and rescue etc.

### ABOUT THE COMPANY:

We develop top-quality aluminum inflatable boats with the best specialists in the industry. Many years of experience with hundreds of boats built are reflected in the quality of our RIBs. The input and satisfaction of our customers is particularly important to us.

We are aware of our responsibility, which is why compliance with and monitoring of the requirements of EC Directive 2013/53/UE are a matter of course for all our Aquaspirit models. They are therefore marked with the «CE» symbol.

The Aquaspirit brand is constantly evolving. At the same time, our experts use the latest design, planning and production methods (CAD, CFD, CAM) to develop models in line with market requirements and the wishes of our customers. Individual wishes can also be realized within the framework of CE certification.

We are only satisfied when you are!
